

THE EXQUISIT & EXQUISIT PLUS

► EXQUISIT & EXQUISIT PLUS COLLECTION

It is said a house becomes a home the moment it radiates warmth. Exquisit, from the House of Kronotex Germany, is a type of floor that promises to make your house a home. It is perfect in every way. Almost natural like wood, it is warm and comforting and can be called perfect in many ways. The surface is embossed and the matt surface has a shimmer to give it an authentic structure. The carefully milled V-groove also contributes to the classic floorboard look.
