

THE MEGA PLUS

▶ MEGA PLUS – A RIOT OF LAMINATE FLOORING VERSIONS

Sublime in every respect: the laminate floors of the MEGA PLUS collection generously accentuate the stylish ambience of any room, making a strong and harmonious impression with their widely ranging decors in extra-wide format. MEGA PLUS floors astonish with their fresh wood and classic stone tile-look decors. The timelessly attractive tile decors make rooms appear sleek and streamlined, almost minimalistic. And the wood decors exude warmth and naturalness, thus ideally complementing country house-style interior decorations. MEGA PLUS also scores points with its extra-large panels, which enable fast, budget-friendly installation.
